GUIDA ALLE TAGLIE

È facile trovare la taglia giusta. Se volete acquistare un indumento che copre la parte superiore del corpo dovete controllare le vostre misure nella tabella **TOP**. Se invece siete interessati ad acquistare un pantalone, un jeans o un bermuda dovete guardare la tabella **PANTALONI**. A seconda del capo che intendete acquistare, ci sono diverse misure da prendere a diretto contatto con il corpo. Se le misure prese non corrispondono esattamente a una taglia in tabella, vi consigliamo di scegliere comunque la taglia leggermente più ampia in modo da ottenere una maggiore libertà di movimento. Una

volta identificata la taglia è consigliabile sempre provare il prodotto prima di acquistarlo, utilizzarlo e personalizzarlo. **Nota bene:**

- Il margine di tolleranza produttivo, nel rispetto delle dimensioni della taglia, può essere del +/- 3%.
- I capi in cotone possono subire una variazione dimensionale naturale fino ad un 5% dopo i lavaggi, anche se questi vengono correttamente eseguiti come da istruzioni riportate sull'etichetta interna.

Finding the right size is easy. If you wish to buy a garment which covers the upper body you must check your measurements in the **TOP** table. If, on the other hand, you are interested in buying a pair of trousers, jeans or Bermuda shorts, you must look at the **TROUSERS** table. Depending on the garment you intend to buy, there are several measures to be taken in direct contact with the body. Should the measurements taken not correspond exactly to a size in the table, we advise you to choose the slightly larger size in order to have greater freedom of movement.

N.B.=

- The margin of production tolerance, in respect of the size, can be +/- 3%.
- Cotton garments can undergo a natural size variation up to 5% after washing, even when this is correctly carried out according to the instructions on the internal label.
